

Troop 583 1st Annual Mountain Man Rendezvous Competition/Campout

When: October 21st – October 23rd

We will depart from the Walmart Parking lot (Copper Hill) on Friday, October 21st at 5:00pm
We will be bringing the troop trailer. All scout patrol and personal equipment will be placed in the trailer to make room in the cars (to reduce the number of cars needed)

We will return by 11:00 am Sunday. Pick up will be back at the Walmart parking lot.

Drivers: Approved carpool drivers will be reimbursed for gas using the following formula:
15mpg x 3.89/gallon. Distance is 100 miles round trip. Total gas reimbursement will be \$26.00

Where:

Camp Three Falls – Frazier Park

Cooking:

We will be doing troop cooking for this event. Scouts should plan on bringing a sack dinner for Friday night. Breakfast, lunch and dinner will be provided on Saturday, and breakfast on Sunday.

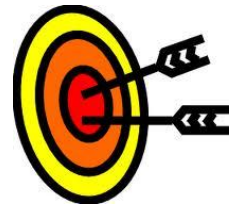

Water will also be provided. All scouts should bring refillable bottles.

Cost:

\$32.00 per person

This includes camping fees, all activities, food, and gas reimbursement

The Plan:

Scouts will compete, by patrols, in the following areas:

Archery

Rifle

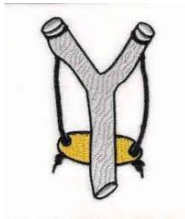

Shotgun

Tomahawk Toss

Sling Shot Course

Raft Building

Junkyard Rescue

Think of this as a sort of mini Camporee...**only a lot more fun!**

Scouts will be scored **ONLY** on their ability.

No Leadership or Spirit scores! No different categories for rank! Scouts will be assigned a schedule, and will move from activity to activity accordingly. There will be plenty of time at each activity to just have fun. Scoring will be done during the last few minutes of the activity period.

Awards will be handed out for the 1st, 2nd and 3rd place winners of each activity. Awards will also be given for the 1st, 2nd and 3rd place "overall" winners.

Registration:

To register for this event, Patrol Advisors must collect the money from their patrol members and give it, along with the names of the patrol members (youth and adults) who plan to attend to Luann Peterson no later than the October 3rd Troop Meeting. I will also need to know who will be driving from your patrol. Please let me know how many scouts you plan to take as well as the driver information (Make/Model, number of seatbelts, DL#, and liability #'s).
